# THE GLOBAL RESET FORUM

EVENT DECK OF THE FIRST EDITION

**ANKARA MAY 14-16 2021**

Women Creativity &  
Innovation Project

# BACKGROUND

**The Global Reset Forum** is a project of **World Youth Summit NPC**, designed to give a unique platform and opportunity to the youth and particularly the young women to critically analyse and review the sustainable development goals of the agenda 2030 and the most pressing issues faced by them and then to take efficient actions towards the achievement of those goals before 2030. World Youth Summit NPC believes that the youth are the most vulnerable victims of all on going crises. However, the youth can be a major contributor during the last decade in finding solutions about the problems they are facing each and every day and therefore support the United Nations in achieving the SDGs .

# ABOUT THE ACT 1

**World Youth Summit NPC** in partnership with **Women Creativity & Innovation Project**,  
The GLOBAL RESET FORUM Act 1.

This first edition is planned to be held in Istanbul Turkey on April 16-18 2021, under the patronage of the first lady of Turkey Emine Erdogan who is a philanthropist and founder of African Handicraft Market and Culture House. The Global Reset Forum is a three days activities related to quality education, gender equality and decent work & economic growth. The forum will host 197 youths coming from every corner of the globe. These youths will then become Ambassadors of the global reset and advocates for the rapid achievement of the SDGs. Moreover, Social inclusion is key in this hard time and no one will be left behind.
